Explanation - This amendment increases BASE aid in the Office of Public Instruction by \$1,850,000 general fund in FY 12 and decreases state special revenue by the same amount for a net impact of zero. This amendment is based on changing the transfer of excess fund balance of MTAP state special revenue from the guarantee account to the general fund in HB 604.

This amendment also clarifies the language regarding the merit program, Pathways to Excellence contained in SB 403.

The last amendment reduces the amount required in the contingency transfers for the BASE Aid Fund switch.

This is an unedited amendment, if passed editing will be required.
